 **Important Notice:**

This is a translation.

You have received the official letter in German by mail. This translation helps with understanding.

The name of your child and the names of the three daycare centers appear only in the German letter.

Only the German letter is official and legally valid.

**Your child did not participate in the language test (PRIMO) and will be assigned a daycare (Kita) placement**

Dear Parents,

Your child did not participate in the PRIMO language test.

This language test is used to assess whether a child speaks and understands German well enough to be well prepared for school.

**Why is this important?**

If a child does not speak German well enough, they need special support. This support is called: language support (Sprachförderung). It helps your child to prepare well for school.

**What does this mean for your child?**

Because your child did not attend the language test, there is no information about their German language skills. In such cases, it is always assumed: the child needs language support.

Therefore, your child is now required to attend a daycare center (Kita). There, they will receive the necessary language support. This way, your child will be supported in learning German – so they can have a good start in school.

We have registered your child at three daycare centers near you.

The daycare centers will contact you. You must sign a contract for your child at one of the daycare centers.

**Exception:**

If you can show that your child speaks German well enough, they may not need language support. Please send proof of this, for example a letter from a daycare center or a specialist.

**Does your child already have a daycare spot?**

If your child is already attending a daycare center, please inform us.

Send an email to:  [tagesbetreuung@kinder.bremen.de](mailto:tagesbetreuung@kinder.bremen.de)

Or call us: ☎ **0421 - 361 92 000**

**Further information:**

Attending the daycare center is free of charge.

However, if your child stays in the daycare center for 5 hours or longer, they will receive lunch there. The lunch costs 45 euros per month.

**If you do not agree:**

If you do not agree that your child must attend a daycare center due to the missing language test, you may file a legal complaint with the Administrative Court of Bremen.

You have one month to do so after receiving this letter.

You can write to the court. Or you can go there in person and state that you do not agree.

**The address is:**

Verwaltungsgericht der Freien Hansestadt Bremen

Am Wall 198

28195 Bremen

**LEGAL REMEDY INSTRUCTION**

An appeal against this decision may be lodged within one month of its notification by filing a complaint with the Administrative Court of the Free Hanseatic City of Bremen, Am Wall 198, 28195 Bremen. The complaint must be submitted in writing or recorded by the clerk of the court registry.

Yours sincerely

on behalf of
